NOTE BY THE PRESIDENT OF THE SECURITY COUNCIL

Following consultations among members of the Security Council, the President of the Council made the following statement, on behalf of the Council, at its 3180th meeting, on 3 March 1993, in connection with the Council's consideration of the item entitled "The situation in Bosnia and Herzegovina":

"The Security Council, recalling all its relevant resolutions and statements, expresses its grave concern at and condemns the continuing unacceptable military attacks in eastern Bosnia and the resulting deterioration in the humanitarian situation in that region. It is appalled that even as peace talks are continuing attacks by Serb paramilitary units, including, reportedly, the killings of innocent civilians, continue in eastern Bosnia. In this connection, the Security Council is particularly concerned about the fall of the town of Cerska and the imminent fall of neighbouring villages. The Security Council demands that the killings and atrocities must stop and reaffirms that those guilty of crimes against international humanitarian law will be held individually responsible by the world community.

"The Security Council demands that the leaders of all the parties to the conflict in the Republic of Bosnia and Herzegovina remain fully engaged in New York in a sustained effort with the Co-Chairmen of the Steering Committee of the International Conference on the Former Yugoslavia to reach quickly a fair and workable settlement. In this connection, the Security Council also demands that all sides immediately cease all forms of military action throughout the Republic of Bosnia and Herzegovina, cease acts of violence against civilians, comply with their previous commitments including the cease-fire, and redouble their efforts to settle the conflict.

"The Security Council further demands that the Bosnian Serb side as well as all other parties refrain from taking any action which might endanger the lives and well-being of the inhabitants of eastern Bosnia, particularly in the areas near the town of Cerska, and that all concerned allow the unimpeded access of humanitarian relief supplies throughout the Republic of Bosnia and Herzegovina, especially humanitarian access to the

besieged cities of eastern Bosnia, and permit the evacuation of the wounded.

"Having determined in the relevant resolutions that this situation constitutes a threat to international peace and security, the Security Council insists that these steps must be taken immediately.

"The Security Council also requests the Secretary-General to take immediate steps to increase UNPROFOR's presence in eastern Bosnia.

"The Security Council remains seized of the matter and is ready to meet at any moment to consider further action."
